Broadmeadow Station Upgrade

Transport Access Program

JULY 2017 COMMUNITY NOTIFICATION

Project overview

Transport for NSW has engaged Abergeldie Contractors Pty Ltd to complete upgrades at Broadmeadow Station.

These upgrades are being completed as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure. The project includes three new lifts, new weather protection canopies, changes to the station entrances, upgraded security features, improved wayfinding signage, footpath upgrades and a new electrical substation.

Upcoming work

Major construction at Broadmeadow Station is now complete.

During July, finishing works will be carried out at the station. Work will include painting touch ups, general station and pavement cleaning, relocation and installation of street furniture on Brown and Graham roads, removal of spoil in the rail corridor and construction of a car port for station staff on Brown Road, within railway land.

A range of equipment will be used including hand held tools, trucks and excavators.

Work hours

Work will be carried out during standard construction hours from 7am–6pm Monday to Friday and 8am-1pm on Saturday.

All efforts will be made to reduce potential impacts to residents and businesses.

We apologise for any inconvenience and thank you for your ongoing patience.
