

Night work

Intersection upgrade - King and Steel streets

Night work will be carried out at the intersection of King and Steel streets from **Monday 24 September 2018** for about four weeks, subject to approval.

Work will include excavation, installation of underground cables for traffic signals, asphaltting and road works.

Work will be carried out from **Monday to Friday** between **6pm** and **7am**, weather permitting. To help minimise disruption, work will not be carried out in any one area for more than two consecutive nights.
