Intersection upgrade - King and Steel streets

Drainage work, and adjustments to traffic lights and medians, will be carried out on the northern side of the intersection of King and Steel streets from **Wednesday 3 October**.

To allow work to be carried out safely, **the left turn slip lane on Steel Street (southbound) onto King Street will be temporarily closed from 7am Wednesday 3 October for about eight weeks**, weather permitting.

Pedestrian access across Steel Street will be maintained during this work. The King Street pedestrian crossing on the eastern side of the intersection will remain closed for about three weeks.
